REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR 1.322

Dear Commissioner:

Upon review of the above-referenced Letters Patent, errors were noted that were the mistake of the U.S. Patent and Trademark Office.

Please correct the following:

Col. 18, line 5, "an egress diverted packet" should read --an egress undiverted packet--

Col. 23, line 52, "structure including a first" should read --structure comprising a first--

Col. 24, line 17, "structure including a first" should read --structure comprising a first--

Col. 24, line 51, "structure including a first" should read --structure comprising a first--

Col. 24, line 57, "insertion logic and" should read --diversion logic and--

With regard to the first error listed, the correct language was submitted in claim 16 of the amendment filed on January 16, 2008. However, it appears that the above error was introduced by the U.S. Patent and Trademark Office in the issued patent.

With regard to the second error listed, the correct language was submitted in claim 42 of the amendment and response to office action filed on January 16, 2008. However, it appears that the above error was introduced by the U.S. Patent and Trademark Office in the issued patent.

With regard to the third error listed, the correct language was submitted in claim 43 of the amendment and response to office action filed on January 16, 2008. However, it appears that the above error was introduced by the U.S. Patent and Trademark Office in the issued patent.

With regard to the fourth error listed, the correct language was submitted in claim 44 of the amendment and response to office action filed on January 16, 2008. However, it appears that the above error was introduced by the U.S. Patent and Trademark Office in the issued patent.

With regard to the fifth error listed, the correct language was submitted in claim 44 of the amendment and response to office action filed on January 16, 2008. However, it appears that the above error was introduced by the U.S. Patent and Trademark Office in the issued patent.

Since the errors are that of the U.S. Patent and Trademark Office, it is believed that no fee is required for these corrections. It is respectfully requested that a Certificate of Correction be issued.

The Commissioner is hereby authorized to charge shortages or credit overpayments to Deposit Account No. 500393.

Respectfully submitted,
SCHWABE, WILLIAMSON & WYATT, P.C.
